

Nestucca Valley School District recently adopted a group of policies, specifically the I-Instruction Policies, which are controversial in nature and to which the public was largely unaware. As patrons of the district we have the right to review policies before they are formally adopted, and we would like the opportunity to do so before they are enforced. Therefore, we, the undersigned residents of Nestucca Valley School District, formally petition the board members of the Nestucca Valley School District to place an immediate moratorium on all new I-Instruction policies adopted on June 10, 2019 until October 15, 2019.
